The Crusaders is an organization founded by KingServal. The group's aim is to help new players while invasions happen, and to deter grief.

Based in the Town of Life

Founded on May 23, 2019 in reaction to the Fit Invasion.

On July 16th, 2019, they launched a series of attacks on the remnants of the MCO KKK, a troll group created by banned user 1Posa1.

On September 16th, popular Youtuber Antvenom mentioned MinecraftOnline in a video, resulting in a small player influx. The crusaders joined forces once again, targeting incoming new players.

On January 26th 2020, the crusaders targeted new players leaving spawn, allegedly from an invasion.

On April 4th, 2020, Fitmc released a video on MinecraftOnline, resulting in a player influx unlike any seen before
